Tech Specs and Features – 50° Flood Daylight

In comparison to main competitive product

<u>Light Output:</u>	
1790 lx = 30% more CRI 84	1370 lx CRI 74
<u>Power Consumption:</u>	
24W = 50% less	50W

Distance diffuser reduces unpleasant glare substantially and still offers identical light output to competitive product without diffuser.

- Also includes:
- AC adapter
 - V-mount and NP-F mount
 - Anton Bauer D-Tap
 - Onboard detachable dimmer with 1.2 m cable for remote dimming
 - Magnetic front frame for attachment of filter
