

The logo for NILA, featuring the word "NILA" in a bold, blue, sans-serif font. A small white circle is positioned above the letter "I".

**NILA**

*ENVIRONMENTALLY SUSTAINABLE LED LIGHTING*

A close-up view of a rectangular LED light fixture. The top surface is a black PCB populated with a 5x5 grid of 25 circular LED chips. The fixture has a rugged, industrial design with mounting tabs and a heat sink structure visible at the bottom.

**PRODUCT CATALOG**

# WHAT DOES "ENVIRONMENTALLY SUSTAINABLE" REALLY MEAN?

For some companies, the well-being of our environment is little more than a marketing ploy. To us, it's a way of life.

Nila products are-

- built with over 80% recyclable materials
- use fewer resources than conventional lights
- built without the use of toxic heavy metals

Our business-

- disposes of less waste per day than the average individual in the US
- has the goal of being a zero waste facility
- offers to buy back & recycle Nila lights when their useful life is done
- reuses or recycles vendors' packaging
- sources materials locally whenever possible
- uses local vendors whenever possible

*"The company's commitment to the green aspect is commendable. They recycle all parts of the light. However, with their rugged construction, I doubt they will need to be recycled very often."*

*-Roberto Schaefer, ASC*

Nila is the industry leader in environmentally sustainable, high-brightness LED fixtures durable enough to meet the needs of the harshest production situations.

Nila fixtures are versatile and user friendly, producing tremendous light output, good color-rendering, and cradle-to-cradle sustainability.

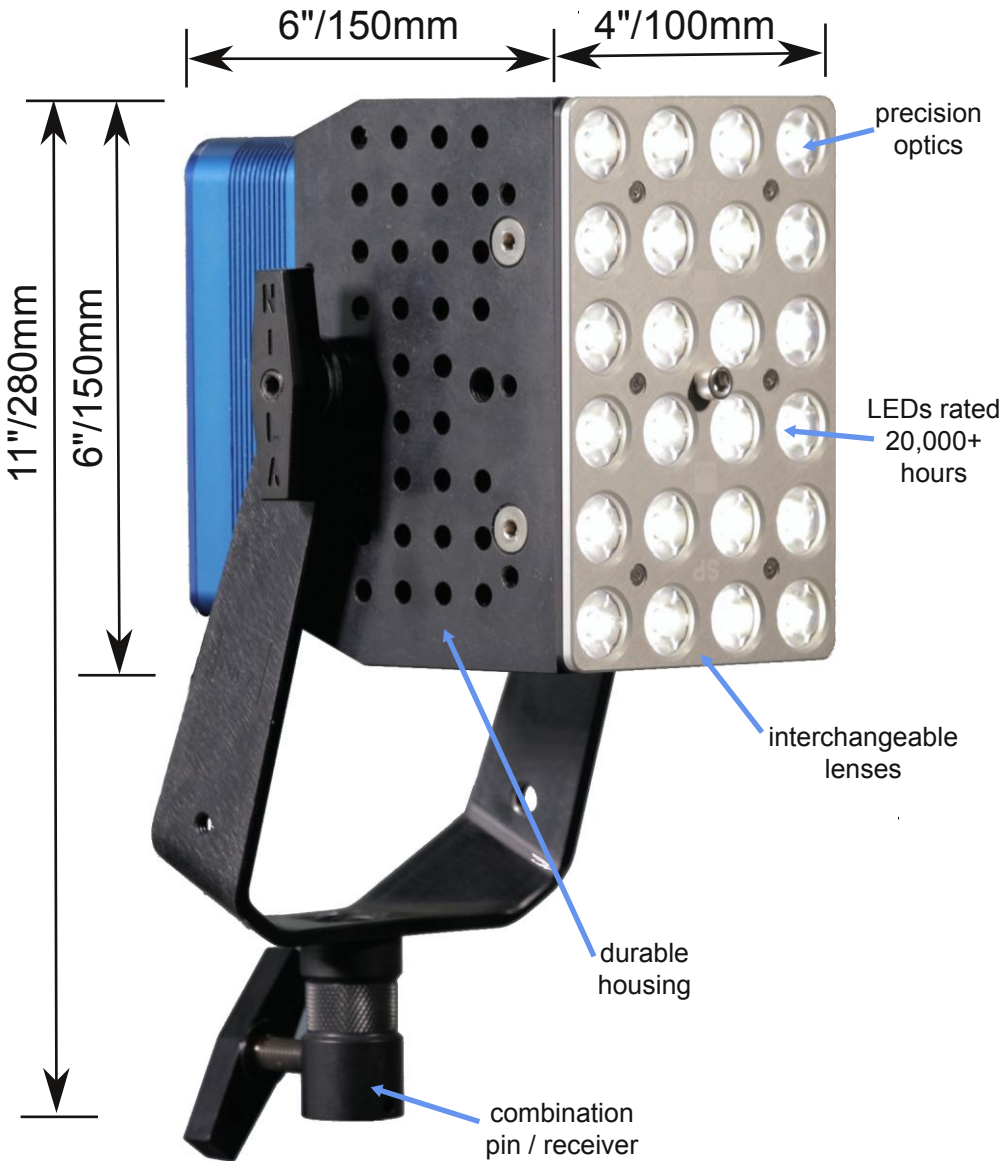

Nila products are RoHS compliant, exceed Energy-Star standards, and can be returned for repurposing and/or recycling when you're done using them.

Nila is the environmentally friendly answer anywhere you need lots of light.

French TV News, Paris - Studio by EuroLight System

# NH

Perfect for-

- electronic news gathering
- architectural lighting
- small studios

The Nila NH is the non-stacking version of the popular JNH fixture. Available in daylight or tungsten color temperature, the NH is an excellent replacement for a 200W HMI or a 350W tungsten fixture, yet it only draws 65W at 100% intensity!

Add the flexibility of the Nila lens system and optional accessories like Chimera adapters and barn doors and you have a fixture that is capable of being both a studio stalwart and a real workhorse in the field.

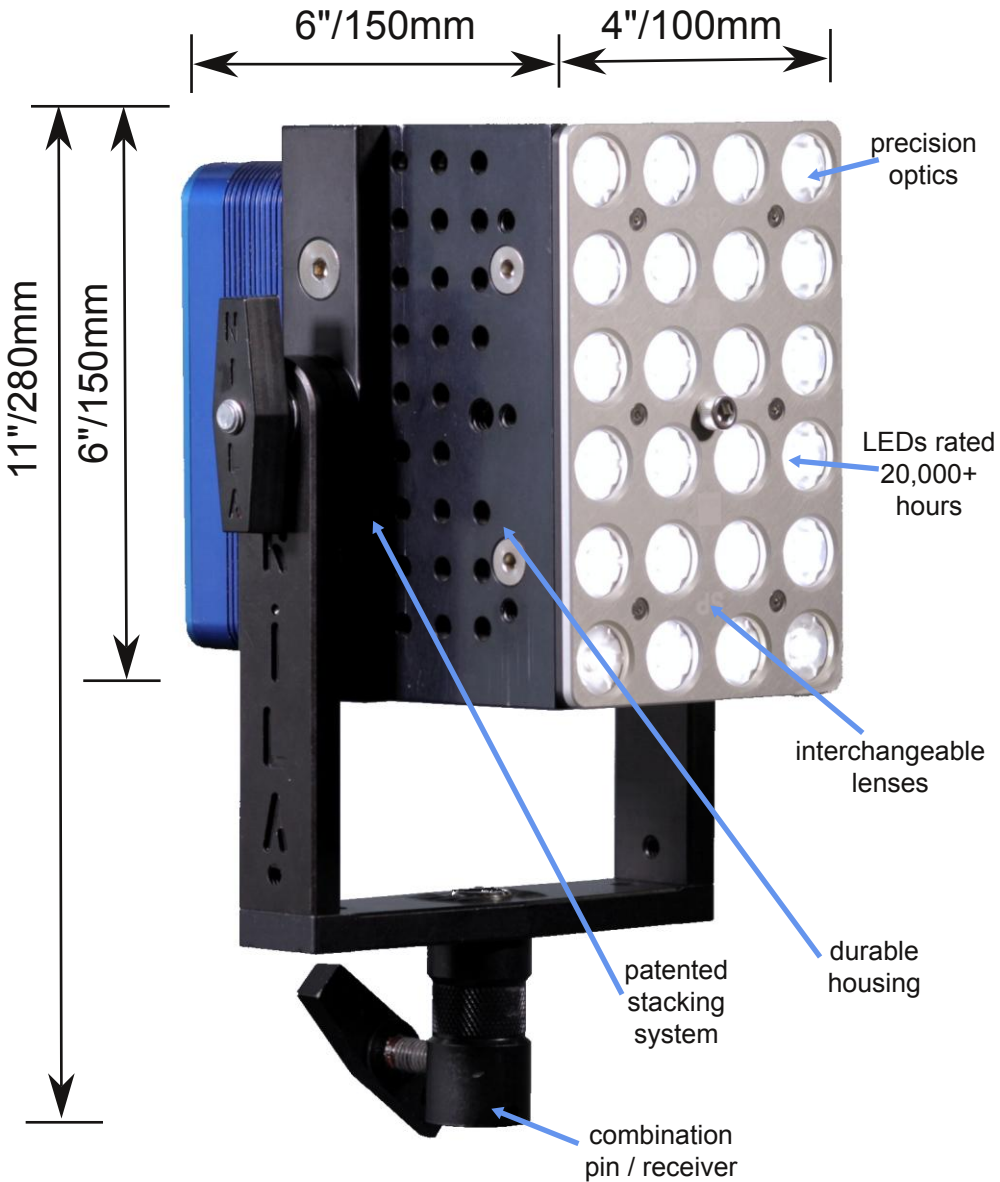

### ADVANTAGES:

- Uses Only 65W at 100% Intensity
- Long Life LEDs (20,000+ hours)
- Built-in Dimmer
- Instant On
- Significantly Cooler than Comparable Fixtures
- ETL & CE Compliant
- Universal (90-240 volt) Power Supply
- 2 Year Limited Warranty
- DMX Controllable
- Easy to Network Using Cat5 Cables
- Emits No UV or IR
- Available in Daylight or Tungsten Color Temperature

NH/JNH Photometrics – Daylight Version

# JNH

Perfect for-

- location shooting
- lighting & grip trucks
- car shooting

The Nila JNH uses patented technology to give the greatest flexibility and performance for the most demanding customers. Available in daylight or tungsten color temperature, the JNH is an excellent replacement for a 200W HMI or a 350W tungsten fixture, yet it only draws 65W at 100% intensity!

The JNH has been described as “revolutionary” and “indispensable” by discriminating customers such as Roberto Schaefer ASC, DP of Quantum of Solace.

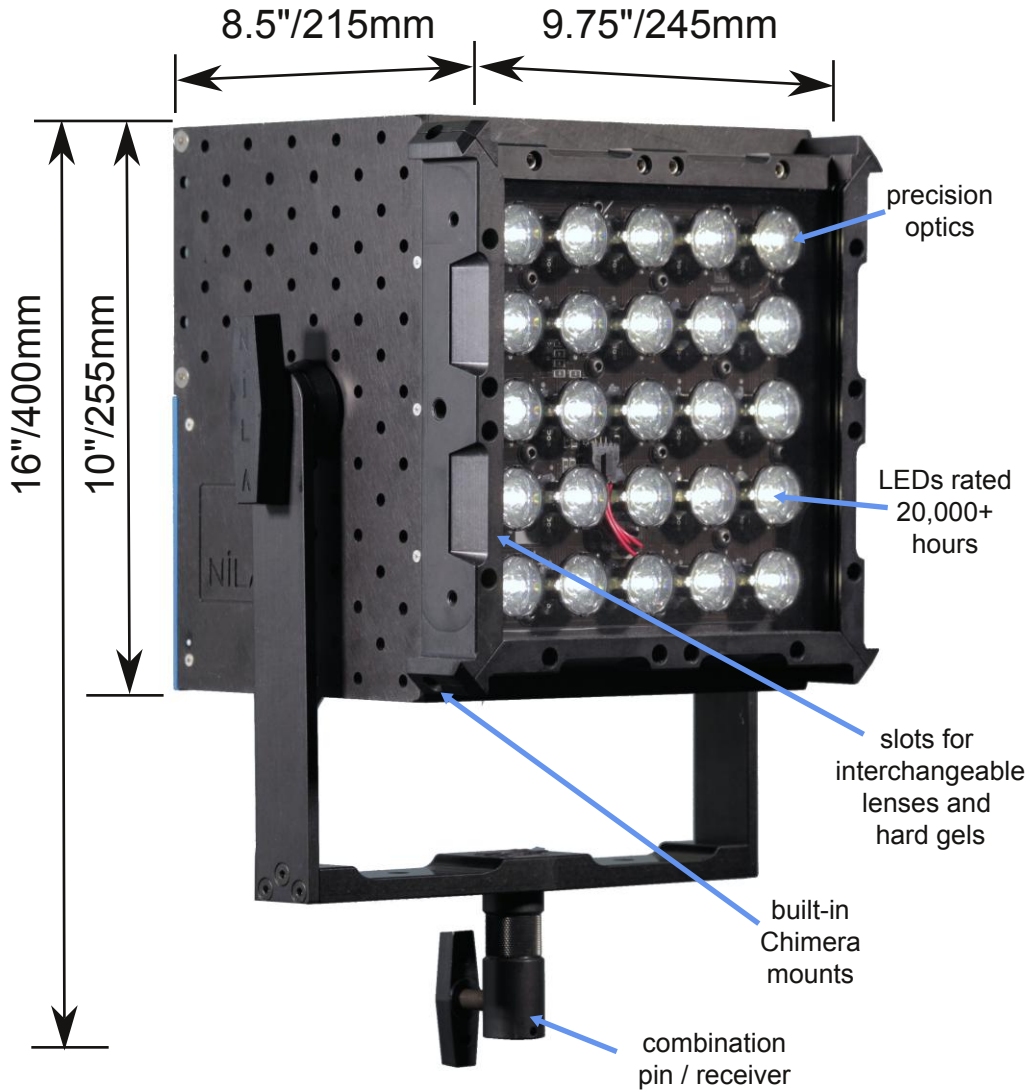

### ADVANTAGES:

- Stackable - Build Virtually Any Size Array
- Uses Only 65W at 100% Intensity
- Long Life LEDs (20,000+ hours)
- Built-in Dimmer
- Instant On
- Significantly Cooler than Comparable Fixtures
- ETL & CE Compliant
- Universal (90-240 volt) Power Supply
- 2 Year Limited Warranty
- DMX Controllable
- Easy to Network Using Cat5 Cables
- Emits No UV or IR
- Available in Daylight or Tungsten Color Temperature

# BOXER

Perfect for-

- studio installations
- location shooting
- electronic news gathering

The Nila Boxer is the perfect solution when you need the punch of an HMI from an LED fixture. Available in daylight or tungsten color temperature, the Boxer is an excellent replacement for an 800W HMI or a 1200W tungsten fixture, yet it only draws 250W at 100% intensity!

The Boxer's unique holographic film lenses allow for the precise placement of light on your subject while allowing for greater blending between LEDs.

### ADVANTAGES:

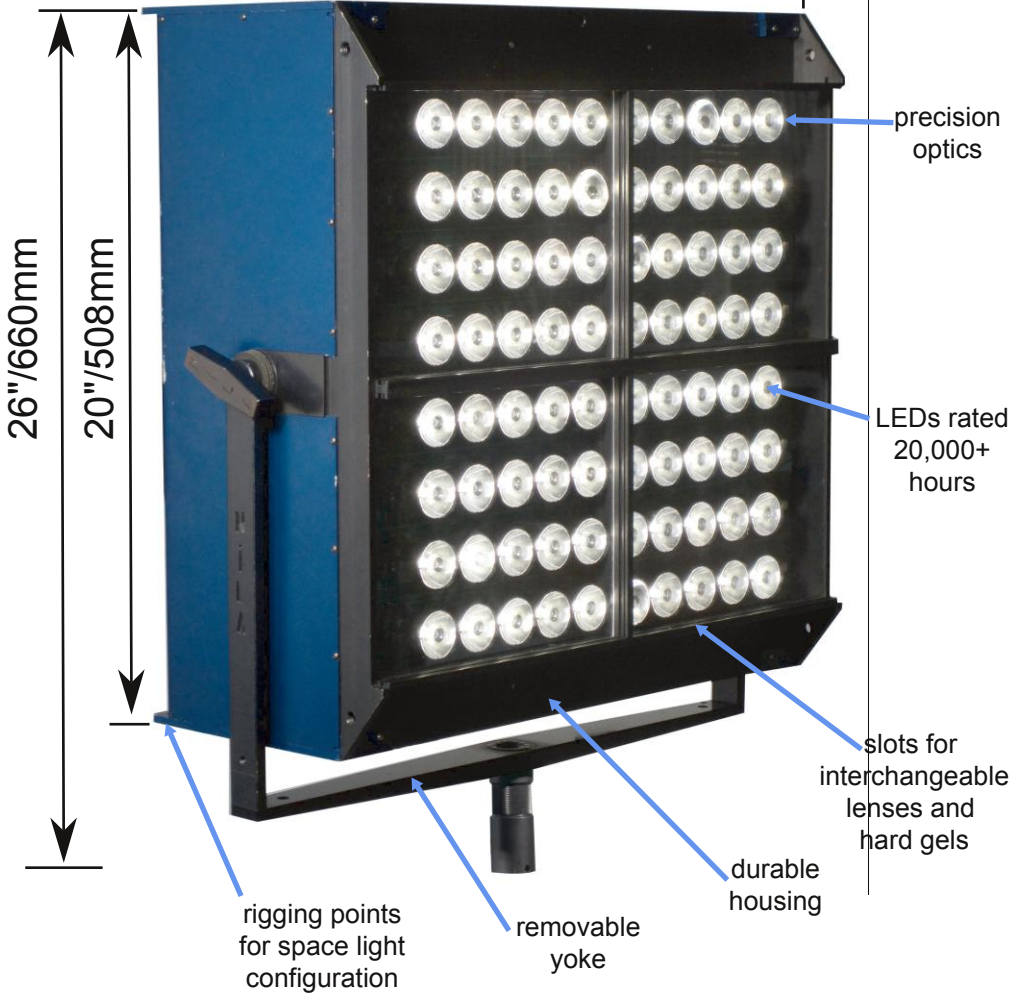

- Uses Only 250W at 100% Intensity
- Long Life LEDs (20,000+ hours)
- Built-in Dimmer
- Instant On
- Significantly Cooler than Comparable Fixtures
- ETL & CE Compliant
- Universal (90-240 volt) Power Supply
- 2 Year Limited Warranty
- DMX Controllable
- Easy to Network Using Cat5 Cables
- Emits No UV or IR
- Available in Daylight or Tungsten Color Temperature

# SL

8.5"/216mm

20"/508mm

Perfect for-

- space light replacement
- large studios
- high-intensity applications

The Nila SL is the brightest LED fixture on the market today. Available in daylight or tungsten color temperature, the SL is an excellent replacement for a 2500W HMI or a 6000W tungsten space light, yet it only draws 800W at 100% intensity!

The SL's unique design allows it to be rigged with a diffusion bag like a space light, or used as a direct source anywhere you need lots of light.

### ADVANTAGES:

- Can be Rigged Like a Space Light
- Uses Only 900W at 100% Intensity
- Long Life LEDs (20,000+ hours)
- Built-in Dimmer
- Instant On
- Significantly Cooler than Comparable Fixtures
- ETL & CE Compliant
- Universal (90-240 volt) Power Supply
- 2 Year Limited Warranty
- DMX Controllable
- Easy to Network Using Cat5 Cables
- Emits No UV or IR
- Available in Daylight or Tungsten Color Temperature

# ENG KITS

## DOUBLE NH ENG KIT\*

- Two NH LED Fixtures in Daylight or Tungsten
- Six NH Lenses
- Two Sets of Nila Hard Gels (CTO or CTB)
- Two Power Cables
- One Lens Pouch
- One Hard Case w/ Custom Foam Insert
- Two Three-Rise Stands
- One Hex Wrench
- Airline-friendly Size & Weight

\*also available with JNH fixtures

## TRIPLE NH ENG KIT\*

- Three NH Fixtures in Daylight or Tungsten
- Nine NH Lenses
- Three Sets of Nila Hard Gels (CTO or CTB)
- Three Power Cables
- Two Lens Pouches
- Hard Case w/ Custom Foam Insert
- Three Three-Rise Stands
- Chimera Soft Box Kit w/ NH Adapters
- Two Inverters (Anton Bauer or V-Mount)
- Two Hex Wrenches

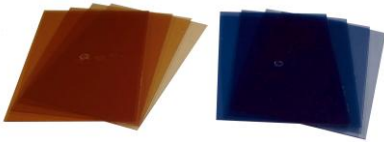

\*also available with JNH fixtures

# NH & JNH ACCESSORIES

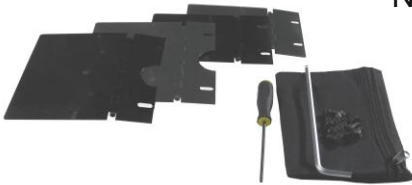

## NH/JNH LENSES

- Six different lenses available
- 10°, 25°, 45°, 90°, 10°x45°, & 45°x10°
- Storage pouch also available

## NH/JNH HARD GELS

- Available in CTO & CTB
- Sets include Full, 1/2, 1/4, & 1/8
- Mount in front of lens

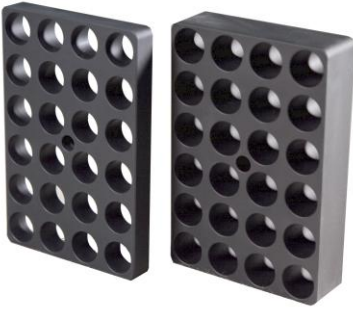

## NH/JNH BARN DOOR KIT

- Includes four leaves
- Mounting hardware provided
- Adjustment & mounting wrenches

## NH/JNH CHIMERA KIT

- Small bag with custom rods
- 1/4 grid and 1/2 grid diffusions
- Includes carrying pouch

## NH/JNH EGG CRATES

- 60° and 40° sizes available
- Attach directly to the fixture
- Storage pouch also available

## NH/JNH CHIMERA ADAPTER KIT

- Includes two adapters & wrench
- Attaches directly to the fixture
- Can also be used with your own small or extra-small Chimera

## NILA INVERTERS

- Available in Anton Bauer & V-mount
- Utilizes your existing batteries
- Powers one NH or JNH for 1 hour at 100% w/ a 90 amp hour battery

## LIBERTY PACK BATTERY PACKS

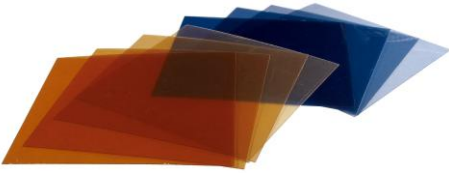

- Three sizes available
- Tested with Nila lights
- Made in the USA

# BOXER ACCESSORIES

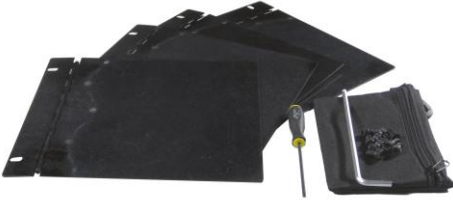

## BOXER HOLOGRAPHIC LENSES

- Six different lenses available
- 10°, 20°, 40°, 60°, 80°, & 10°x60°
- Storage pouch also available

## BOXER HARD GELS

- Available in CTO & CTB
- Sets include Full, 1/2, 1/4, & 1/8
- Durable, rigid material

## BOXER BARN DOOR KIT

- Includes Four leaves
- Mounting hardware provided
- Adjustment & mounting wrenches

## BOXER CHIMERA KIT

- Medium bag with custom rods
- 1/4 grid and 1/2 grid diffusions
- Includes carrying pouch

# OTHER ACCESSORIES

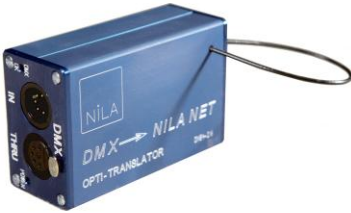

## POCKET CONSOLE

- 8-channel DMX controller
- DMX & Nila Net out
- Nila Net, battery, or ac powered

## MINI DMX TO NILA NET ADAPTER

- Adapts DMX512 to Nila Net
- Attaches inline
- No power supply needed

## DMX OPTICAL TRANSLATOR

- Adapts DMX512 to Nila Net
- Provides optical isolation
- Power supply included

## PELICAN CASES

- Lifetime unconditional warranty
- Large variety of sizes and shapes
- Included with most Nila lighting kits

The United States House of Representatives  
The United States Senate

I needed a light that was of low power consumption yet had a punch that gave me the exposure that I wanted.

I'm very happy with the results.

-Fred Goodich, ASC
